Skills

Overview

Programming

$0\ LOC$ ——————→ $5000\ LOC$

C • Python • Java

HTML5 • CSS • JS • PHP • SQL

C# • R • LaTeX

Technical Knowledge

0 ——————→ 5

GNULinux • PyCharm • Visual Studio

Docker • GitLab • GitHub

Languages

beginner ——————→ *native*

German

English

Education

2019 - now	**MSc., Computer Science**	Technical University of Munich (TUM), Germany
2016 - 2019	**BSc., Computer Science** (Grade: 1.0/4.0)	University of Tuebingen, Germany
2016	**Abitur** (Grade: 1.0/4.0)	Scheffel-Gymnasium Bad Säckingen, Germany

Experience

Feb 2019 - Aug 2019 **Working Student**   Bosch Connected Devices and Solutions (BCDS) GmbH
- Developed a Human-Machine Interface (HMI) for a structure-borne noise sensor called Intelligent Vibration Analysis Sensor (IVAS).
- Coordination with an external design agency as well as implementing the HMI according to the Bosch Design guidelines.

Projects

Feb 2020 **Music Transcription Tool**
- **Melody Detection** - A tool that records sound over a microphone and extract a melody out of it. The recognized melody will then be translated into musical notation and put on a digital notesheet.
- **Chord Detection** - A tool that records sound over a microphone and detect the different notes in the chord.
- **Audio Spectrogram** - A tool that analyzes the recorded sound and generates a Audio Spectrogram.

Sep 2019 **Retro Games**
- Web Application featuring some of the old retro games like Pong, Snake, Tetris and Space Invaders.

May 2019 **Chess Game**
- A small chess application built in Python with a custom graphics library.

Sep 2018 **Voice Controlled Calculator**
- A small .NET application written in C#.
- The calculator uses the built-in Speech Recognition from Microsoft and translates spoken formulas into a mathematical expression and calculates the result of this expression.

Certificates

2019 **Bachelor's Degree**
- Final Grade: 1.0/4.0
- Field of Study: Computer Science
- Degree: Bachelor of Science, University of Tuebingen, Germany

2019 **IELTS Academic**
- Score: 8.0/9.0
- CEFR Level: C1

2016 **DMV Mathematik Abitur Preis**
- Mathematics Prize

2015 **Driving License**
- Car Classification: B
